Hi, Kelly:

I will not be able to join the call today. It looks like there aren't any enforcement-specific issues on the agenda, but please let me know if I can provide any assistance if those issues come up. Thanks!

All,

Turns out we actually have quite a few agenda items today. I haven't heard back from FDEP about what they want to discuss on this afternoon's call so that might add to this list.

- NHPA update (most time sensitive)
- FDEP/EPA MOA (are we finished with edits? Are we ready to discuss with FDEP if that's a topic this afternoon)
- USFWS/FWC MOU (has anyone reviewed and found red flags?)
- USFWS elevation questions (update on call Kathy, Alexis, and I had with Heath from USFWS)
- Timing of ESA FR and assumption
- Kathy update based on ASWM call

- Contract questions (this might wait for another call if time is short)
- NOC- discussion of review/commenting timeline
- other misc updates?
